PAPIER INGRAISSABLE

García de Pou propose une large gamme de produits en papier ingraissable pour tous les types de restauration rapide tels que les hamburgers, les sandwichs, les pizzas, les frites ou encore les churros.

Leur polyvalence les rend adéquat pour servir également des fromages et des charcuteries dans les commerces de type épicerie.

Ces papiers sont très pratiques comme base pour les entrées et les plats principaux, car ils protègent les récipients de présentation, tels que les planches en bois, les paniers en acier inoxydable ou les bols en bambou.

Les papiers résistants à la graisse contribuent à un service de table plus hygiénique, évitant le contact avec des contenants réutilisables qui peuvent être contaminés par une utilisation prolongée.

Ces papiers ingraissables peuvent être personnalisés avec le logo de votre bar, restaurant ou fast-food. Dans ce catalogue, vous trouverez toutes les tailles et formats dont vous avez besoin.

CARTA ANTIGRASSO

García de Pou dispone di un'ampia gamma di prodotti in carta antigrasso per tutti i tipi di fast food come hamburger, panini, pizze, patatine fritte o churros. La loro versatilità li rende ideali anche per servire formaggi e insaccati in salumerie e gastronomie. Molto pratici come base per antipasti e primi piatti, in quanto proteggono i recipienti da presentazione, come taglieri in legno, cestini in acciaio inox o ciotole in bambù. Le carte antigrasso contribuiscono a un servizio in tavola più igienico, evitando il contatto con contenitori riutilizzabili che possono finire contaminati dall'uso prolungato. Queste carte antigrasso possono essere personalizzate con il logo del suo bar, ristorante o fast food. In questo catalogo troverà qualsiasi dimensione o formato di cui ha bisogno.

GREASE-PROOF PAPER

García de Pou has a wide range of greaseproof paper products for all types of fast food such as hamburgers, sandwiches, pizzas, chips or churros.

Their versatility also makes them ideal for serving cheese and cold meats in delis and delicatessens.

Very practical as a base for appetizers and main courses, as they protect the presentation containers, such as wooden boards, stainless steel baskets or bamboo bowls.

Greaseproof papers contribute to a more hygienic table service, avoiding contact with reusable containers that can end up contaminated by prolonged use.

These greaseproof papers can be customised with the logo of your bar, restaurant or fast food outlet. In this catalogue you will find any size or format you need.
